## Arkansas State University Delta STEM Center Focus

The purpose of the A-State Delta STEM Education Center is to enrich the knowledge and teaching practices of teachers in Science, Technology, Engineering, and Mathematics by linking A-State to K-12 public schools, educational service cooperatives, and businesses, and providing services and resources for teachers, administrators, and students.

The Delta STEM Education Center also works as a partnership to assist Arkansas Educators in the pursuit for excellence in education. The center primarily serves Crowley's Ridge & Great Rivers Educational Cooperatives.
