Microsoft Imagine Academy

EXPLORING MTA
(MICROSOFT TECHNOLOGY ASSOCIATE)

3-DAY ROADSHOW

Did you know that only 1 in 4 high schools teach Computer Science, but STEM jobs are growing faster than ever? We as teachers must make sure that our students are getting the skills they need to fill this demand.

During this training, participants will explore the Microsoft Imagine Academy (MSIA) Microsoft Technology Associate (MTA) curriculum resources and MTA exams created to address this demand in our job force. In addition, it will include a deep overview of MTA courses as well as a demonstration of the steps required to access these courses from the MSIA member site and the opportunity to learn more about the different MTA exams.

*TARGET AUDIENCE: MSIA members & CTE Support Staff

Exploring MTA Tentative Agenda:
- Introductions
- Microsoft Imagine Academy (MSIA) Overview
- Deep dive of MSIA Microsoft Technical Associate (MTA) courses
- Demonstration of the steps required to access and download MTA courses from the MSIA member site
- Review of the MTA exams
- Certification best practices
