**Join us for 2 days of powerful presenters
and collaboration!**

We are excited to announce the AR AIMS **Virtual** AP Math Conference Workshop for AP Calculus and AP Statistics this fall. We have Mark Kiraly for AP Calculus and Doug Tyson for AP Statistics scheduled to provide content, strategies and the latest updates. Both are currently presenters for the College Board as well as teaching their content. More information about scheduled sessions will be shared soon. Check out the Biographies on Mark Kiraly and Doug Tyson at the links below.
