High School Name

Bio

Provide a biography about yourself

School Activities

List of school activities with dates (or grade level) and involvement of non-CS or STEM activities (i.e. sports, arts, music, volunteering) during your time at high school (grades 9 - 10). Later slides will focus on CS and STEM activities and events, for each grade level.

Volunteering

List of other volunteering and community activities with dates and involvement.

Leadership

Example(s) where you displayed leadership skills

Future Impact

How will you use your education to impact your community, society and country?

9th Grade

For each grade 9 through 12, please provide info about your Computer Science Coursework as well as any Extracurricular CS and STEM activities. Note: If you competed in an event or contest multiple years then you will need to include it in the section for the Grade you were in when you participated.

Computer Science Course

For Each Computer Science class that you have taken, please provide the following information:

Course Title:

Letter Grade Earned:

Was class for concurrent (college) credit:

Description of your favorite assignment (you may include screen shots).

Extracurricular Computer Science or STEM Events/Competitions/Awards

Provide information concerning events or competitions that you participated (i.e. Programming Competition, Robotics Competition, Apps for Good, Congressional App Challenge, Science Fair, Mathematics Competition, etc) or Awards (i.e. NCWIT, etc)

Include:

- Name of event
- Date of event
- Contact info about the event (address, url, email, phone, etc)
- Include copy of award (if applicable)

Certifications / Micro credentials

Provide information concerning any Certifications or Micro Credentials that you may have earned.

Include:

- Name of certification or micro credentials
- Date of Completion or award
- Contact info about the Certification or Micro Credential (address, url, email, phone, etc)
- Include copy of certification or credential

10th Grade

For each grade 9 through 12, please provide info about your Computer Science Coursework as well as any Extracurricular CS and STEM activities. Note: If you competed in an event or contest multiple years then you will need to include it in the section for the Grade you were in when you participated.
